UNE EXPRESSION D'AMOUR UNIVERSELLE

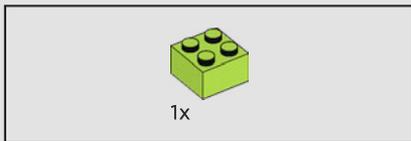

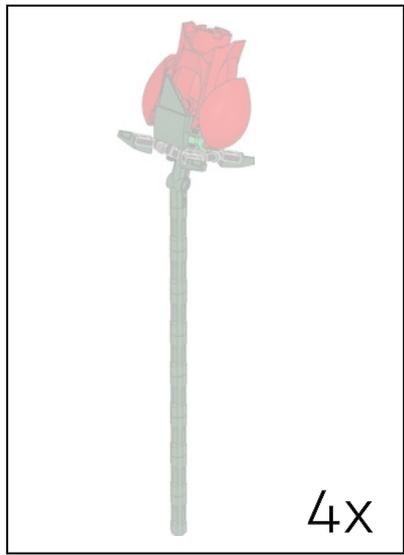

🌹 Il y a des millénaires, on racontait que l'ancienne déesse grecque de l'amour, Aphrodite, était si belle que les roses se levaient pour la saluer lorsqu'elle apparaissait. Depuis, les roses rouges sont devenues des symboles d'amour. Par leur beauté, leur parfum délicat et leurs pétales luxuriants et veloutés, les roses offertes à nos proches leur donnent le sentiment d'être spéciaux et aimés, que ce soit lors d'un premier rendez-vous romantique, de la Saint-Valentin, d'un anniversaire ou de moments mémorables partagés.
